**NEW YORK CITY** – Fountain House Gallery, located at 702 Ninth Avenue and representing artists living with mental illness, announces the upcoming show "Small Works: \$100 & Under." The exhibition will open with a Reception on October 26, 2017, from 6:00 p.m. to 8:00 p.m., and will remain on view through December 22, 2017.

This exhibition features dozens of small-scale works, sized at 5 by 7 inches or less, which can be purchased "off the wall" and fit conveniently in a tote bag or briefcase. Among the mediums represented are collage, mixed media, acrylic and watercolor painting, digital art, and photography. Past Fountain House Gallery "Small Works" shows have been a rousing success with holiday shoppers and collectors.

This program is funded, in part, by generous support from the Renate, Hans and Maria Hofmann Trust and the Robert Rauschenberg Foundation.

**About Fountain House Gallery**

Fountain House Gallery and Studio provides an environment in which artists living with mental illness can express their creative visions and exhibit their work. Founded by Fountain House in 2000 as a not-for-profit exhibition space for its member-artists living and working with mental illness, the Gallery sells original artworks and collaborates with a wide network of artists, curators and cultural institutions. Embracing artists who are emerging or established, trained or self-taught, Fountain House Gallery cultivates artistic growth, makes a vital contribution to the New York arts community, and challenges the stigma surrounding mental illness.
